

# **GCSU VICE-PRESIDENT EXECUTIVE**

## **FABIEN BOSQUET**

### **1. What is your program and year of studies at Grenfell Campus?**

I am finishing my 3<sup>rd</sup> year. Bachelor's in science with a major in Computational Math and minor in French.

### **2. What skills, experience, and interests would you bring to the role of GCSU Vice-president Executive?**

I am friendly, I like to help, and I am energetic.  
I have a good time management and I will completely be devoted to make student life better.  
My goal is to achieve academic excellence while being able to help the student community.

### **3. Why do you wish to run for GCSU executive office?**

I am currently in 4 different societies and I also work with the backlot, so I already know a bit about the position. I think that working with the GCSU is a great opportunity to gain professional skills while helping other students.

### **4. What changes or improvements would recommend for the GCSU?**

- Green Shield Insurance information should be advertised more.
- Possibly utilize ideas from St. John's campus to improve Grenfell student life.

### **5. What changes or improvements would recommend for Grenfell Campus?**

- Wi-Fi could be improved
- We could add some speakers in the GCSU for some background music.
